Dear Mr. Minister,

It gives me great pleasure to refer to your letter of 23/03/2009 concerning the economic and trade relations between Bavaria and Saudi Arabia

I share your views about the importance of the relationship between Saudi Arabia and Germany, in particular Bavaria . Indeed, the cooperation between Saudi companies and companies from Bavaria is deepening . Therefore, I am pleased to know that Maierhofer GmbH & Co. KG was selected to construct the roof of the new Royal Terminal of King Abdullah Airport.

Since this matter falls within the competence of the Saudi Civil Aviation Authority, I have the pleasure to provide them with your letter and the information in it .

With my best personal regards .

Jubarah E. Al-Suraisry
Minister of Transport
